Dear parents, during this pandemic situation, please wear a mask, keep a safe distance, wash your hands, or sanitise your hands. Stay healthy.

## What we will learn this week

Theme of the month: Health and Growth

This week we have learnt:

(15– 19 Nov)

Letter: A a

Number: 2

Colour: Orange

Shape: Circle

Next week we will learn

(22 – 26 Nov)

Letter: A a

Number: 2

Colour: Orange

Shape: Circle

Teacher: Ms Candice  
Assistant: Ms Marilou

## Peacocks Class

The Proud Peacocks have been learning about whom doctors are and what they do. We explored our new role play area and treated the patients using a stethoscope, thermometer, blood pressure pump and other instruments. Everyone was excited to be a doctor and we made sure they were safe by wearing gloves and masks! We also focused on strengthening our fingers through different activities. We enjoyed 'Squiggle While You Wiggle', hanging baby clothes with pegs on the washing line, threading and more!

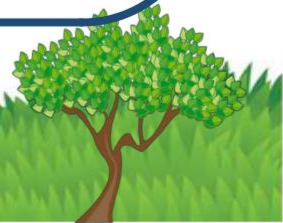

Teacher: Ms Khalida  
Assistant: Ms Arlene

## Parrots Class

The Parrot's class are having so much fun exploring their learning environment and exercising key learning dispositions such as curiosity, perseverance, confidence, independence, problem solving and resilience. We exercised our gross motor skills while playing outdoors and we explored our creativity during art with paper crumpling, flower making, drawing, and play dough.

Teacher: Ms Yuliya  
Assistant: Ms Melissa

## Woodpeckers' Class

This week we learnt that sounds are all around us and we made a lot of noises by ourselves. We implemented our knowledge of new concepts of shapes and numbers in real life. We enjoyed our activities and had a nice time with our friends.

Teacher: Ms Linda  
Assistant: Ms Arlene

## Ducklings Class
