Peacocks Class

The Proud Peacocks had a very busy week! We were looking at our five senses; touch, smell, hearing, taste and sight, and each day we learnt about a different sense. We had a look at our fingerprints, explored painting with a variety of spices, created musical instruments, did a taste test Science Experiment and tried to draw ourselves with our eyes covered. We also celebrated the UAE National Day by reading 'Two Great Leaders' by Mohammed Bin Rashid Al Maktoum and learning about the different Emirates in the UAE. We also had a look at photos of ourselves in the UAE!
