

Sleeping Procedures and Bedding

- Cots/ beds or any bedding such as sheets, blankets and pillows won't be shared between children,
- All bedding will be washed daily.
- The base classroom can accommodate all aspects of children's care and education including learning resources, feeding/eating and sleeping arrangements.
- Ensure that children from different bubbles do not share the same sleeping space or equipment.
- Change and wash all beds' sheets and covers on a daily basis
- Use disposal beds sheets when necessary
- Each child will have his/her own bed
- Beds will be labeled with the child's name
- Sleeping area will be arranged inside the classroom.
- Maintaining the social distancing guidelines when placing children beds.
- Each group/bubble will sleep in their own classroom.
