Peacocks Class

The Proud Peacocks practiced their balancing skills, enjoyed the outdoor equipment, did a lot of painting and more! We continued to learn more about emotions and the parts of our face by completing a Face Puzzle. Using puzzle pieces of our face, which were also numbered 1-4, we glued the pieces together to show our big smiles! We also have been learning about the different members of our family. Using our new house for the Small World Area, we used the different resources to have delicious dinners, parties, create bedtimes and more!
