Peacocks Class

This week, the Proud Peacocks enjoyed looking over everything we have learnt so far. We made snakes with playdough, apple trees and really big trees to remind us of the sounds we learnt.

We also played number and shape games. To celebrate the end of the term, we painted our self-portraits and there were some fantastic artistic interpretations of what our faces look like! We have really enjoyed getting to know one another and learn together and we cannot wait to come back to school in 2021!
