Peacocks Class

We started our new theme this week, 'In the Garden'. Our bean plants from last week have been growing and everyone was excited to see how they looked. We learnt about tall and short by helping Titch sort out his toys and by looking at our friends to see where they would go in a line. On Wednesday, we celebrated the historic accomplishment of the Hope Probe entering Mars' orbit. Congratulations to The Emirates Mars Mission team! #ArabsToMars

Parrots Class

This week the Perfect Parrots started a new topic, 'In the garden'. We explored our nursery garden to see what we could find out there. We also made a colourful kite for the letter k. On Thursday we enjoyed purple day by painting purple bellflowers.

Assistant: Ms Melissa

Woodpeckers' Class

This week the Wonderful Woodpeckers were comparing objects and finding which are same and which are different. We also compared groups of objects and saying which one has more than the others. Also we started to recognise rhyming words and we enjoyed finding familiar letters and words in our environment. We had a great week.
