Peacocks Class

The Proud Peacocks enjoyed being scientists this week! After the Bug Hunt last week, we had a closer look at the minibeasts in our Minibeast Investigation Lab. We played 'I Spy' by looking for things starting with our letter sounds, explored numbers using cars and matched butterflies' wings.

Teacher: Ms Khalida
Assistant: Ms Arlene

Parrots Class

During the week the children in the Parrot's Class have been taking part in lots of craft activities, such as 'h' for horse, heart stamp printing and lots, lots more. The highlight of the week was our 'Pink Day', everyone had a superb day and it was so much fun 😊

Teacher: Ms YULIYA
Assistant: Ms Melissa

Woodpeckers' Class

This week the Woodpecker Class worked together on using our gross motor skills, we can move with pleasure and confidence in a range of ways, such as rolling, walking, running, jumping, skipping and sliding. Also during our outdoor play we enjoyed riding on the bikes and we created an obstacle all by ourselves. We showed our creative sides while playing with different construction materials and we enjoyed mixing lots of different colours.

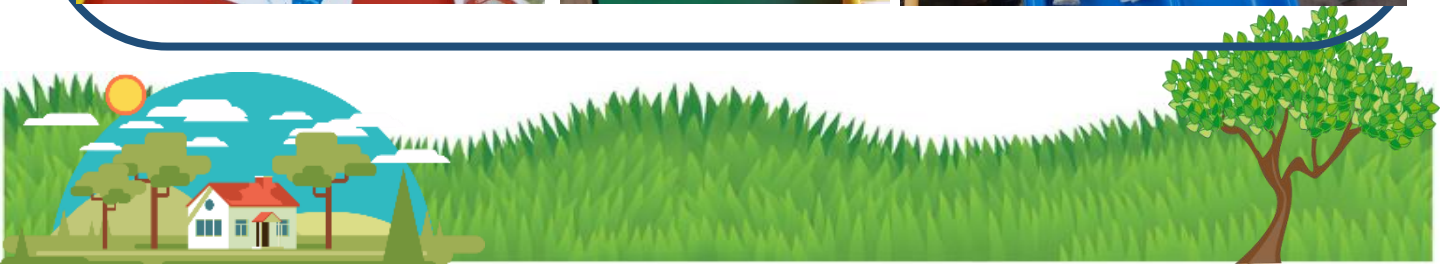

Teacher: Ms Favour
Assistant: Ms Analiza

Owl class

This week in Owl Class we had plenty of fun exercising our fingers as we enjoyed lots of mark making activities. We all took part in some theme activities, such as painting with flowers, making leaf prints, planting bean seeds and watching them grow.

We are always learning to recognise and arrange colours even when we are playing outdoors.
