## Peacocks Class

This week, we started preparing for our new theme, In The Garden, which starts next week. We learnt about plants and how they grow from small seeds into big plants. To show how that happens, we enjoyed completing the 'growing beans' science experiment. We placed damp cotton balls into a ziplock bag with some beans and attached them to the window. We can't wait to see what happens!

Teacher: Ms Khalida  
Assistant: Ms Arlene

## Parrots Class

This week in Parrots class we have been looking at our sense of hearing and talking about the different every day sounds that we hear. We also enjoyed practicing our maths and phonics skills.

### Woodpeckers' Class

This week Wonderful Woodpeckers realised that developing a strong grip is one of the key factors as we practice our pre-writing skills with vegetables from the garden. We understand that Be friends means more than just be buddies and play together. We can use helping hands and kind words to become a real friends.

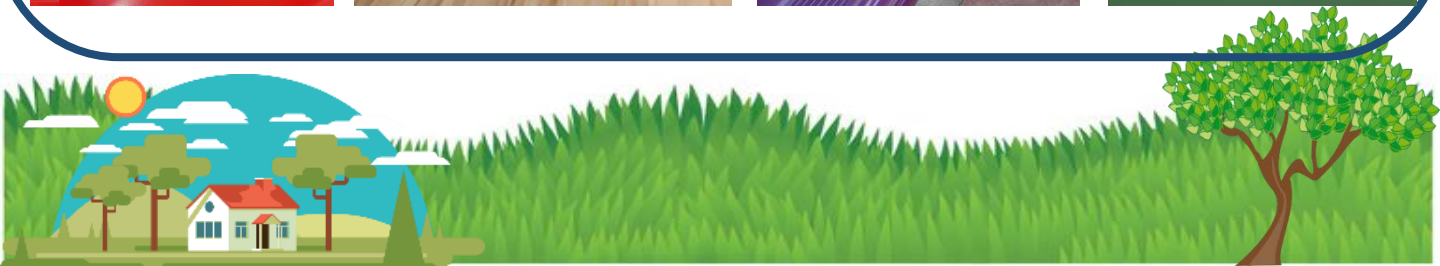

Teacher: Ms Favour  
Assistant: Ms Analiza

### Owl class

Owl class this week were introduced to the letter and sound 'c'. We chose to draw a cat or car. We also learnt how to make lines and circles.
