### **Parrot Class**

Assistant: Ms. Venelyn

This week Parrot Class have been learning the shape circle, the phonic 'a' and the colour orange! We explored mixing colours and learnt that when you mix yellow and red together it makes orange. We have had lots of fun in the library reading stories and exploring the different sounds musical instruments make. Miss Hannah is very pleased with how well the Parrot Class is progressing.

**Flamingo Class**

Assistant: Ms. Charito

This week we have introduced the number 2, colour orange, shape circle and phonic sound 'a apple'. The children have enjoyed learning this through play and during circle time. The flamingo's have been enjoying role play in the home corner, pretending to cook different food. They also loved using playdough to make an orange circle and then they used their imagination to make other objects such as birthday cakes and snakes. We have had another fun filled week this week, we are excited to do it all again next week!

### **Butterfly Class**

Assistant: Ms. Marites

This week the Butterfly Class enjoyed playing with all the different toys in the classroom. They had fun learning about the colour, number, shape, letter and topic of the week. The learners enjoyed their outside play very much and enjoyed their time in the soft play area. This week we focused on sensory play and the learners all had so much fun while doing the activities.
