Teacher: Ms. Hannah

Parrot Class

Assistant: Ms. Venelyn

This week has been so much fun! Parrot Class has really loved learning about the lifecycle of a butterfly, we have even made lots of our own beautiful butterfly's! We have also been learning the phonic c, the shape oval, the colour blue and the number 5.

Teacher: Ms. Louise

Flamingo Class

Assistant: Ms. Charito

This week the flamingo's have been learning all about self-care, how to stay clean and healthy. We have been reading the story 'The very hungry caterpillar' talking about the food he eats and if it is healthy food or unhealthy food. We have also been cutting out the shape oval, sticking and gluing the colour blue, writing the phonic sound 'c' and counting blocks up to 5 all while playing. We have had a great week

Butterfly Class

Assistant: Ms. Marites

This week we continued learning about healthy foods that make our bodies grow big and strong, as well as learning about the shape oval, number 5 and the letter c. The children had so much fun making different crafts to show their learning. We look forward to another week with new letters and numbers!

Teacher: Ms. Sabrina

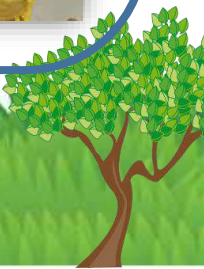

Owl Class

Assistant: Ms. Ednalyn

This week the owl class enjoyed learning about the colour blue, letter c, number 5 and the shape oval. The learners enjoyed all the different fine motor activities and enjoyed learning more about our topic "Health". The learners had fun learning a "brush your teeth" song and were confident to stand up and talk about good hygiene. We look forward to learning about the topic "Growth" next week. 😊

Duckling Class

Assistant: Ms. Edita

We had a fantastic week, the children continued to learn about our health and growth topic by monitoring the growth of their previous planted seeds. We talked about the oval shape, the color blue, and we learned the letter C while painting a carrot drawing. The children also worked on a threading activity to further develop their fine motor skills. They practiced writing number 5 by tracing it on the smart board and they learned how to count by counting and scooping spoonful of rice based on the numbers written on different paper cylinders in front of them.

NEWS AND INFORMATION FOR PARENTS

HOW TO KEEP YOUR KIDS HEALTHY?

The best way to keep your kids healthy is to make sure they wash their hands. Teach them how and when to wash their hands and to keep their fingers away from their eyes, nose and mouth, and how to cover coughs and sneezes using their elbows.

Thursday Activity

25th February 2021

Movie Day
