'Wow! What a wonderful week we have had! The flamingos have been very busy showing Ms Louise how they are developing so well during their time in nursery. We love playing the listening game, we listen to the animal sounds and guess what animal it could be. We have been learning the colour yellow, number 3 and shape triangle. Well done flamingos for working so hard all week!'

This week the owl class enjoyed learning about our topic "On the farm" the learners all had a chance to stand up and tell their friends and teacher what they know about the topic. They also had fun playing with playdough and were all so creative! The learners were able to identify the number three and colour yellow and were able to write the letter "t" formation out on a sensory tray. Well done Owl class!
