This week in Parrot class we have really enjoyed learning the phonic and letter p, p for pirate and parrot class! We even made our own pirates and parrots! We have also had lots of fun learning the colour green, shape rectangle and number 4. We used green play doh to make different kinds of bugs. This week we have also been learning how to write our own names.

The owl class had so much fun this week 😊 we traced over the letter “p” for our letter of the week. We counted objects for the number “4” and we played a game for our shape of the week. The learners had to identify the shape “rectangle”. The colour of the week was “green” and the learners drew pictures of green things 😊 The children enjoyed playing and listening to a story in the Library and Activity room. The learners are all so excited to start with our new topic next week “Health and Growth”

**Duckling Class**

Assistant: Ms. Janet

Children had a fun and busy week learning about the different numbers, colors and shapes by doing a range of activities. They used a flour filled sensory tray to dig for different hidden shapes. For a fun writing practice, they traced letters in a salt tray. They also used water colors to paint on aluminum foil. For our farm animals topic, Children had an activity in which they had to rescue different trapped animals.
