Flamingo Class

Assistant: Ms. Edita

This week we focused more on our shapes of the week and did lots of activities about shapes from watermelons to dinosaur spikes, triangles were seen everywhere! We also had lots of fun playing outside and pretending to be sleeping bears. We also made a poster for our class to show we are kind, and we always try to share and that we are all friends. I hope you all have a lovely weekend and look forward to seeing the children on Sunday.

Butterfly Class

Assistant: Ms. Anne

In butterfly class, we had fantastic fun during our circle time, with introduction to Triangle shape & number 4, we love the 'quack quack' movement with D for Duck, making play dough and getting messy and enjoyed reading books and storytelling.

It keeps getting better 🌻🌻🌻🌻🌻🌻🦋

Owl Class

Assistant: Ms. Ednaly

This week Olws started with our new phonic, D, d. We did colouring and crafting arts, triangle shape popsicles craft, painting number 4, outdoor playtime, orange playdough activity and had our first science experiment making orange volcanoes 🙌👍😊

Well done my Owls!

Bumblebee Class

Assistant: Ms. Charito

How nice to learn about mixing colors!

Bumblebees did a fun experiment mixing yellow and red to get orange.

They learned about "what else is orange" and counted the units with the 4 bears. They made a big dinosaur to the sound of the letter D and learned a lot about what words starts with Dd.

Teacher: Ms. Amra

Duckling Class

Assistant: Ms. Mariella

We had an exciting week in the Duckling Class! We learned that the letter Dd is for Dinosaurs, and enjoyed making Walking Dinosaurs and Letter Formation with Play Dough. The shape of this week is a Triangle. We decided to make an Owl using small and large Triangles. We also played with the shapes we have learned so far. We still hung out with Bears 🐻, read the story "The Bear and the Bees" and had lots of fun doing Bears Fork Painting. We have been busy practicing our threading skills, as well as making Spaghetti Towers. Our Physical Development is equally important to us as learning, so we exercised every morning and enjoyed the Soft Play area! At the end of the week, the Ducklings sent a lot of peace messages. Peace is friendship. Peace is playing. Peace is quite. We need Peace! ❤️
