This week in parrot class we have continued learning the letter d for dinosaur, we done some number 4 counting and painting activities, learnt about the shape triangle by doing some different crafts and also enjoyed mixing red and yellow to make the colour orange! We have been so busy this week preparing for our bear hunt, we have been making long wavy grass, thick oozy mud and even a cave!

This week was our final week with our theme Bears and what fun we had preparing to go on a bear hunt so we had to learn how to go over, under and through things to look for our bear. We also did work on our shape, letter and number and played lots of games to reinforce our learning. Next week we will be looking at animals and I'm sure the children will enjoy seeing all the different animals.

### **Duckling Class**

Assistant: Ms. Mariella

It was a fun and busy week for the Ducklings! We have been learning more which words start with the letter Dd and we made Donut shaped crafts. 4 was the number of this week, so we practiced counting to 4 and traced it on the board. We had a lot of fun doing Brilliant Cutting Practice! We made an Orange Book and painted pumpkins, carrots, and basketballs. The Ducklings also loved doing the orange and carrot stamping and Hibernating bear crafts 🐻 using triangles and numbers. We enjoyed dancing, outdoor playtime and we played Doctors and Patients in the Activity room. Bravo Ducklings👏👏🐻❤️
