## **PLAY** and **LEARN**

Teacher: Ms. Hibak

**Flamingo Class**

Assistant: Ms. Edita

This week we focused on our new topic bears and looked at different species of bears. We also started looking at a new letter, number, shape and colour and incorporated that into our learning. The children worked on both gross and fine motor skills by attempting teddy bear rolls and threading a shoelace through a teddy bear shape. We look forward to next week where we have lots more planned.

**Butterfly Class**

Assistant: Ms. Anne

This week we had fantastic fun, learning about our theme "BEARS". Enjoyed making the bear craft, introduction to number 3 with dot painting, introduction to letter S for Snake & Sun, explored the star shape and had super amazing fun getting messy with pasta and food colour Yellow 🙌🙌. It keeps getting better, well done children 🌟🌟 😊🦋

## **PLAY** and **LEARN**

Teacher: Ms. Sandra

**Owl Class**

Assistant: Ms. Ednaly

Owls were learning more about the colour yellow, letter S, s, the shape star and bears by colouring, crafting, singing, reading, dancing, doing yoga together and even some building. As it's the colour yellow we did painting and sensory play using yellow slime we discovered how to make a shape, number and even our names with the slime.

So proud of my Owls 📷

## **PLAY** and **LEARN**

Teacher: Ms. Patricia

**Bumblebee Class**

Assistant: Ms. Charito

Bumble Bees class met the new teacher Miss Patricia. We danced, sang and played together on our first day. They also talked about their favorite colours, showed they know the alphabet and made playdough teddy bears.

They produced their bear faces showing their manual skills and hunted the duckling to learn about number 3. They also coloured and painted stars and did a fun activity with the letter S on the salt tray. At reading time they learned about sizes from the story of Goldilocks and the 3 bears.

In our circle time we learnt about bears where they live, what they eat, what they are like.

We found shapes in the bear sensory box and painted stars. They sang the alphabet song with the letters from the story of Goldilocks and the 3 bears.

### **Duckling Class**

Assistant: Ms. Mariella

What an exciting week behind us! The Ducklings were so hard working! The week started with a new letter Ss that we traced on the board. They loved it ♥! We learned that Ss is used for Snake, Sun, Snow, Snowman, Star, and we played by making Snake crafts. The Ducklings also loved Stars, so they enjoyed making them out of Lego blocks, and surprised their teacher with interesting questions. We also explored our new topic "Bears" 🐻 and learned interesting facts about them: what colour they are, where they live, what they like to eat, etc. Bear crafts, Build a Bear and Teddy Bear Ear Crafts were some of the activities. As usual, dancing and playing were our everyday fun! We were again trilled, as we got more new friends this week ♥ It was wonderful! 🎉🎉
